In intermediate sprints counting for the general classification

I place - 3 sec. II place - 2 sec. III place - 1 sec.

3. The team classification for the day will be calculated on the basis of the sum of the three best individual times from each team.

In the event of a tie, the teams shall be separated by the sum of the places acquired by their three best placed riders on the stage. If the teams are still tied, they shall be separated by the placing of their best rider on the stage classification.

The team general classification will be calculated on the basis of the sum of the three best individual times from each team in each stage ridden.

In the event of a draw, the following criteria shall be applied in order until the teams are separated:

- number of first places in the daily team classifications ;
- number of second places in the daily team classifications ; etc.

If there is still a draw, the teams shall be separated by the placing of their best rider in the general .individual classification.

4. The most activist cyclist classification. The best three riders in intermediate sprints (counting for the general classification) will receive the following points:

I place - 3 sec. II place - 2 sec. III place - 1 sec.

The rider who scores the largest number of points in all intermediate sprints and finishes the race will become a winner of this classification. If there's a draw, the riders will be separated by the places in the final individual general classification.

5. Points are awarded for each stage: The first twenty riders win points at each stage the following criteria shall be applied.

I place - 20 points, II place - 19 points , XX place - 1 point

The rider who scores the largest number of points in all stages (excl. 1-half-stage) and finishes the race is the winner of the point classification. In the event of a tie, the following criteria shall be applied in order until the riders are separated:

- number of stage wins,
- number of wins in intermediate sprints counting for the general classifications,
- the place in the general individual classification.

6. All win bonuses will be awarded to final individual classifications.

7. If a rider is leading in more than one classification the priority shall be taken to the next in the rank.

8. The 1 Half-stage will be held in order to establish the leaders of general classifications

- | | |
|---------------|---|
| Orange jersey | – leader of a team in I place |
| Yellow jersey | – I place |
| Blue jersey | – leader of a team in II place |
| Violet jersey | – leader of a team in III place |
| White jersey | – cyclist (born 1996 year of born) of the best team |
| Green jersey | – leader of the best team of the province of Pomerania and Kujawy |

Results shall be awarded to general classification.

In the case the rider dropped out of the rest of the team in the Individual General Classification he is credited with the actual time of his crossing the finishing line. In the case of a duly noted fall, puncture or mechanical incident beyond a red triangle (last kilometer) in a 1 half-stage (team time race) the rider or riders involved shall be credited with the time of riders in whose company they were riding at the moment of the accident.

If, as the result of a duly noted fall beyond the red triangle a rider cannot cross the finishing line, he shall be credited with the time of the teammates in whose company he was riding at the time of the accident.
